Response Due Date

IDENTIFICATION NUMBER: C00394353

REFERENCE: JULY QUARTERLY REPORT (05/08/2014 - 06/30/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- While it is permissible for a person to make a contribution for the general election prior to the primary and runoff elections, the recipient committee must employ an acceptable accounting method to distinguish between primary, runoff, and general election contributions. (11 CFR § 102.9(e)) This general election amount must be maintained in the committee's account.

Since the candidate will not participate in the general election, any contribution received for the general election must be returned to the donors or redesignated to the primary or the runoff if your committee has net debts outstanding for the primary or runoff elections. To redesignate a contribution the committee must either (1) obtain signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) redesignate the contribution by presumption to the primary or runoff election, for undesignated contributions made after the primary or runoff but before the general election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing. The notification must give the contributor an opportunity to request a refund. A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i) and (5)(ii)(C))
